Undelivered capital credits refund checks

The names listed below are people who have capital credits refund checks available to them. The owners of these checks received service from Rayle EMC either all or part of the time during the years of 1997 and 1998. The checks were mailed in June 2024 but were either returned by the Post Office as undeliverable or were never cashed.

If your name appears on the list or if you are the executor of the estate of a person whose name is on the list, please call Rayle EMC and ask for the Capital Credits Clerk.
